

Parent & Teacher Student Communication

Our school has an expectation that all classroom teachers and parents communicate via the correct platforms all of which have School Council approval.

There are some distinct differences in how we use each platform at Pearcedale Primary School.

For all URGENT queries, you should always contact the school office for assistance.

Seesaw

A window into the classroom where students and teachers can post work samples for parents to view.

A place to celebrate student and class achievements.

A place where teachers post about upcoming events and special occasions.

Compass

Used to record student behaviour, sick bay attendance, school absences and important parent communications.

Where official information is posted. E.g. Newsletters, whole year level notices, excursion and Incursion information and payments etc...

Where you can make contact / email your classroom teacher:
Compass App - On the bottom toolbar Click on the shortcut (+) and select send email.
Compass via computer - From your computer. Click on "Send email to your students teacher" function within your child's profile under their photo.
